

Shape Sort

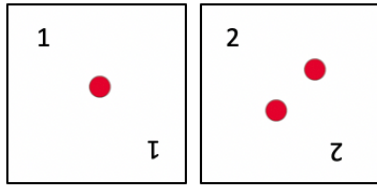

Ages 2+

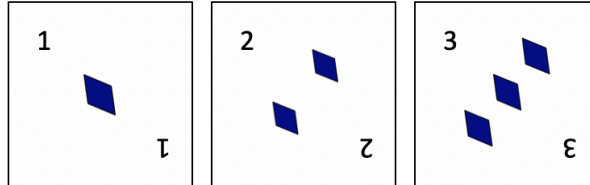

1-4 players

Cards to use:

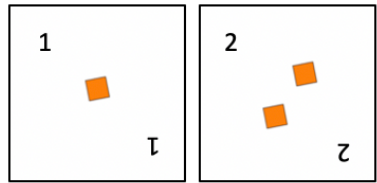

Circles 1-2

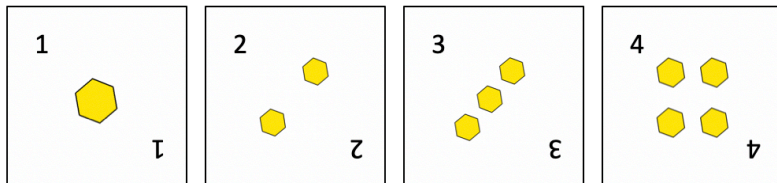

Rhombus 1-3

Squares 1-2

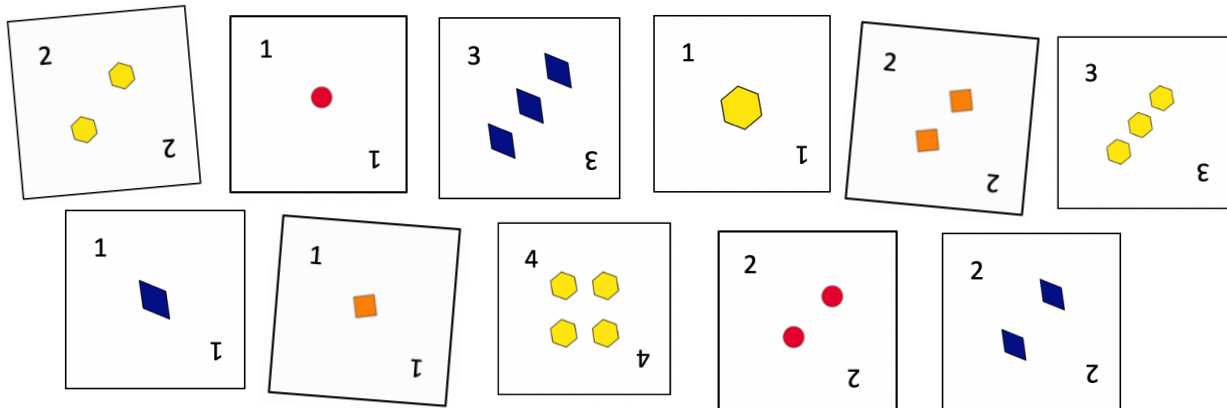

Hexagon 1-4

Setup:

1. Shuffle cards
2. Lay cards face up so all can see

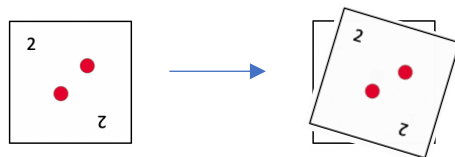

Play:

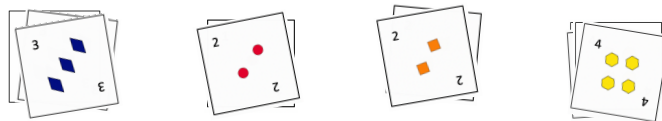

Take turns picking up one card and telling the other players what shape is on the card.

Put the card on the table in a pile according to its shape. If there is already a pile of that shape's cards, add your card to the pile.

Once all of the cards are sorted by shape, take turns counting how many cards are in each shape pile.

The game ends when each pile has been counted!
