

# Wild Shapes

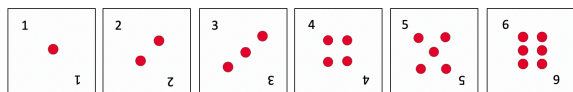

2-4 players

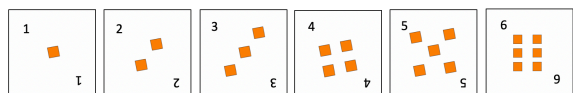

Ages 5+

Cards to use:

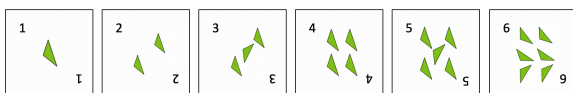

Circles 1-6

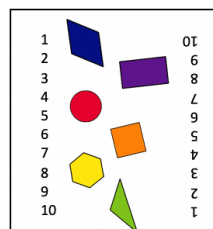

Squares 1-6

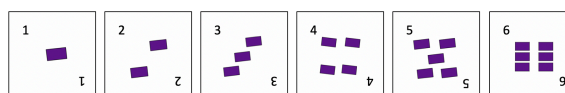

Triangles 1-6

4 Wild Shapes cards

Rectangles 1-6

Setup:

1. Shuffle cards

2. Deal 5 cards face down to each player. Hold your cards in your hand. Look at your cards but don't show them to other players!

3. Place the remaining cards in a pile face down

4. Turn over the top card in the pile.

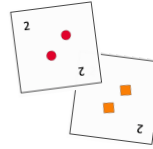

Place the card face up on the table so all can see.

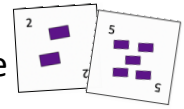

Play:

On your turn:

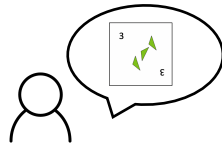

Match the top card to one of your cards by number

or shape

OR play a *Wild Shapes* card! Choose a number and shape for the next player to match on.

If you don't have a card that matches the top card or a *Wild Shapes* card, draw a card from the pile. It's now the next player's turn.

The game ends when only one player is left with cards!

Future games:

Use cards with larger numbers

Use the entire deck of cards

Use a new rule: if you don't have a card that matches the top card, you have to draw cards until you do!
