

Which One Doesn't Belong?

Look at the objects. There are some ways they are alike and some ways they are different. Choose one that seems different from the others and explain why.

- *What do you notice?*
- *Which One Doesn't Belong? Why?*

Remember...

- There are many right answers!
- Talk math, have fun!
- Use words to describe what you see—*smooshed, bent, curvy, wavy, straight, etc.*
